THE
FESTIVE
EDITION

PRECIOUS CIRCLE

Lynne Jewellery arranges precious gemstones effortlessly to resemble a Christmas-like wreath, usually created with intertwined foliage. In this jewelled version, marquise and brilliant diamonds are sandwiched in between 33 natural unheated sapphires, forming a royal blue circle. www.lynnjewellery.com

In Precious Azure

Schreiner's Blue Lagoon Collection comprises a matching set of tanzanite parure in deep cerulean. Four drop-shaped tanzanite cabochons add a splash of blue among the diamond-studded earrings and handcrafted necklace, as well as a single oval-shaped tanzanite cabochon ring weighing 46.81cts. www.schreiner-jewellery.com

A DROP OF SNOW

Have yourself a merry white Christmas with Chanel's *Montre Mademoiselle Privé* watch. Clothed in all white satin, diamonds, and mother-of-pearl, the burst of diamonds on the centre dial reminds one of a crystallised snowflake. The diamond pavé bezel rounds up the sparkling timepiece and finished with an 18K white gold buckle. www.chanel.com

MARGARITE MARVEL

Debuted at BaselWorld 2016, the *Escapade* earrings by Schoeffel is a lustrous presentation of diamonds. Two single round pearls are surrounded by a burst of white diamonds in an 18K white gold setting, mimicking the opening of a seashell. www.schoeffel-pearl.com

FINGER Paints

Stefan Hafner presents jeweled rings in a celebration of colours this holiday season, set with colourful gemstones from every corner of the rainbow. Ranging from white to yellow to rose in 18K gold, these coloured rings set with multi-coloured semi-precious stones and diamonds add a pop of colour when worn in stacks. www.stefanhafner.com

IN HER ELEMENT

Designed with the feminine, fashionable, and energetic woman in mind, Canadian model Coco Rocha fronts Roberto Bravo's 2016 "Inspiring Campaign". Donning colourful and lively jewellery pieces, the model, businesswoman, and celebrity is the ideal fit for the "Roberto Bravo woman". As seen here, nature-inspired motifs and precious stones are immortalised in gold and enamel. www.robortobravo.com

Classy In NYC

Marrying the elements of sophistication of New York City, the *Tiffany Cocktail* watch collection draws inspiration from the city that never sleeps. Set in 18K rose gold, the oblong watch face makes room for rows of diamonds that pays tribute to the city's glitzy skyline. The black satin strap keeps the overall look timeless, with a diamond-encrusted bezel to highlight the edges. www.tiffany.com

A ROYAL TRIBUTE

Multicoloured jewels take precedence in the *Sissi* collection by Moraglione. Taking its name after the former empress of Austria, the jewellery parure pays homage to the women of high society in the Art Déco period, often seen in diamond tiaras and long earrings. Set in 18K rose gold, a multitude of white diamonds, blue sapphires, and green emeralds shine in various-sized cuts in this featured cocktail ring. www.moraglione.com

A Nod To BRILLIANCE

The elegance of ribbons and knots is at the heart of Graff's Bow Collection. Crafted in 18K white gold, this multi-shaped diamond bow necklace features 57.84 carats of sparkling diamonds. Pear-, brilliant-, oval-, and princess-cut diamonds run along the necklace strands before meeting the extravagant bow design set with emerald and brilliant diamonds. www.graffdiamonds.com

SNOWED IN GOLD

Jewelmer takes a playful approach on the golden South Sea pearl this Christmas. In an 18K yellow gold pendant, two adjoining South Sea pearls create a charming little snowman. Complete with accessories, brilliant-cut diamonds add a finishing touch to the scarf. www.jewelmer.com

TIME IN PRISM

Dior brings back the old-school optical instruments

of our yesteryears in the *Dior Grand Soir Kaleidioscope* series. Featuring geometrical designs in bright and funky colours, the 36mm automatic watch doesn't linger far from the brand's thematic collections. Sapphires, diamonds, turquoise, garnets, and other precious stones are arranged in symmetry against a mother-of-pearl or multicoloured dial. It comes in three different variations from N°1, N°2 or N°3 in a white or yellow gold case, paired with a denim strap. www.dior.com

PRECIOUS FLORETS

Anticipating fresh florals for Spring, Hans D. Krieger presents a pink and purple combination of gems. Hanging from an 18K white gold chain, a 7.23ct pink tourmaline pendant is surrounded by a diamond pavé, adorned with 32 amethysts in flower formations. www.kriegernet.com

TICKLE ME PINK

Winding around the centre stone in floral colours, Artinian's *Mirage* ring gives off a punch of colour against an 18K rose gold setting. White diamonds and colourful sapphires in yellow, pink, purple and violet overlap one another resembling petals, surrounding a 14.88ct rubellite tourmaline centre stone. www.artinian.com

Fringed Splendour

Dehres' *Feather* bangle, which wraps gracefully around the wrist, comes from their Award Winning Collection. Designed to resemble a long white feather, 1,682 white diamonds adorn the white gold frame, curving outwards along the edges. A single 3ct yellow diamond sits at heart's centre, shining through its pear cut brilliance. www.dehres.com

CITY OF LIGHTS

Messika collaborated with American fashion photographer Terry Richardson to capture the brand's 2016/2017 campaign. Inspired by Paris, gold and diamonds represent the bright lights and elegance of the city. The contemporary pieces include the Angel, Calypso, and Glam A'Zone Collections among many others, garnering an exquisite parure. www.messika.com

WORKING MAGIC

Drawing awe and allure from magic tricks, Cartier's latest *Magicien* Collection plays with the notable sparkle that reflects off geometric facets. Described to evoke the impression of a "conjuring trick or pure magic", Cartier's shapely pieces create contrasts with multiple lines and edges. Its *Quetzal* set includes sugarloaf rubellites set in a black lacquer and diamond bracelet. www.cartier.com

HYPNOTIC STRIPES

Audemars Piguet's *Millenary* broke all the rules when it came out with its elliptical case and off-centre dial, a stark deviation from its signature octagon. Now with new designs debuted this year, the *Millenary* comes in two new contrasting designs that plays with onyx and diamonds. In between the weaves of the zebra-like pattern, the balance wheel peeks out beneath the bridge, popping against the monochromatic background in yellow gold. Fixed with an onyx cabochon crown, the watch comes in either a yellow or black alligator leather strap. www.audemarspiguet.com

For High Rollers

Lazare's pioneering feat with the *RollerGlam* paints the precious diamond in a new light. Exercising minimalism in the *RollerGlam* Collection, the design composes a cylindrical tube that opens up to reveal a Lazare®-cut diamond in a tension setting. As seen in the Lazare Diamond® RollerGlam bangle, the setting is juxtaposed through a slight twist that curves in for added sensuality. www.lazarediamonds-sea.com

BID HIGH

Tiancheng International will be holding its annual Jewellery and Jadeite Autumn auction on December 4 in Hong Kong. Over 270 pieces will be auctioned including an array of coloured gemstones as well as significant selections from celebrated brands. One of the pieces from the themed auction is a pair of emerald diamond cufflinks with a matching green agate box. The vintage box is claimed to be from the 1920s, fashioned from a single piece of green agate. www.tianchengauction.com

CHRISTMAS TRIMMINGS

'Tis the season to celebrate in bright jolly colours, such as these vintage mandarin garnet earrings from Dilys'. The dangling pair beams brightly with a single mandarin garnet cabochon each, set with emerald and diamonds. The colourful pair comes with a matching statement necklace that can be transformed into a brooch. www.dilyscollection.com

WREATH OF PEARLS

Chopard's Happy Diamonds collection says it all with its faceted cuts and sparkling precious stones. Yet in this Happy Diamonds Joaillerie Ref. 204445-5003 watch, the full-pearl bracelet is bound to turn heads. It glows against the 18K rose gold case that captivates with a prong-set diamond bezel. Two central diamond rings surround the hour hands with 15 mobile diamonds in various cuts. www.chopard.com

Yule of Elegance

A picturesque take of a Winter Wonderland, Carlo Barberis presents a unique transformable piece. Worn as a pendant or brooch, sparkling white diamonds are splayed across the centrepiece in varied cuts from pear to brilliant. Hanging daintily from a single white diamond is a natural unheated blue sapphire. www.carlobarberis.com

A Star In Diamonds

Thai actress and model Matt Peeranee wore Sartoro's collections to the HOWE magazine Awards in February. An 18K white gold diamond *Riviera* necklace highlighted her neckline in a deep-V dress, with a matching pair of diamond *Falcon* earrings to complement her look. www.sartorojewelry.com

FLORAL BLUSH

In its candy colour hues, pink is a delicate shade often associated with sweetness and femininity. Yuli channels this with a purple centre gemstone surrounded by pink spinels and white diamonds. Set in 18K rose gold, uniform white diamonds are also adorned along the shoulders. www.yuli.com.sg

BLUE BOUNTY

Named after the Greek word meaning 'bountiful', Scavia's *Doris* ring stuns with a myriad of blue gemstones. Set in 18K white gold, an iridescent opal gleams through a cabochon cut, surrounded by a scatter of emerald beads, brilliant-cut diamonds, and blue sapphires. www.scavia.it
