

## WITH LATIN GLAMOUR

Spanish actress Penelope Cruz, who starred and co-produced the Spanish film *Ma Ma*, wore Chopard's High Jewellery collection to the Toronto International Film Festival. She opted for a pair of yellow diamond earrings in 18k rose gold and an 18k white gold ring set with an emerald-cut diamond. [www.chopard.com](http://www.chopard.com)

## Vivid Romance

Fall in love with Bibigi's classic gemstone rings. The Je T'aime collection is an assortment of jewelled parure, each adorned with a classic gemstone — sapphire, ruby, emerald — and set with diamonds. Dainty on its own or dazzling together, the rings are perfect to lighten up any holiday outfit. [www.bibigi.com](http://www.bibigi.com)

## 'Tis the Season

Snowflakes, candy canes, and snowmen are just some of the many Christmas motifs we are all too familiar with. Tiffany & Co rings in the holiday cheer with sterling silver charms in their signature robin blue tints. Gift a significant someone with some festive arm candy that couldn't be more apt for the season. [www.tiffany.com](http://www.tiffany.com)

## HOLIDAY PIN

Yuli Fine Jewellery celebrates the occasion with a specially crafted Christmas tree brooch. Available for this season only, the 18k gold brooch is adorned with coloured stones including tsavorites, rubies, and pink, yellow, and orange sapphires, with white diamonds to go all around. ## White Splendour

In 2014, Blancpain revealed the F385 flyback calibre movement, but it is in this limited edition *F185 Ladies' Flyback Chronograph* that broke the impression of what was assumed as an aviation-only feature. The 18k white gold ladies watch is characterised with a date window and small seconds on a mother-of-pearl dial, with a touch of a diamond crown cabochon to keep it dainty. ## ORNATE STARS

Secrets & Lights, the new Piaget Haute Joaillerie and Haute Horlogerie collection, celebrates the mysterious and captivating light effects inspired by two legendary cities, Venice and Samarkand. In the *Palace décor* timepiece, an engraved gold star marquetry reveals a simple mother-of-pearl dial, and its gold uniform transforms the bracelet into an iridescent ribbon. ## Pearled Temptation

From Utopia's Bollicine collection, these earrings feature a beautiful row of freshwater pearls that lithely descend down the front of the accessories. Encrusted with blue sapphires, diamonds, and rhodium gold, the gentle lines and soft curves turn this pair of stunners into bold yet feminine pieces of luxury. ## Paragon of Rarity

The Classic Collection: Happy Day by Schoeffel puts a twist on pearl jewellery among a sparkling display of boastful colours. Black Tahitian pearls are placed asymmetrically on 18k rose gold bands pavé with black diamonds, amethysts, green sapphires, and tsavorites. [www.schoeffel-pearl.com](http://www.schoeffel-pearl.com)

## DYNAMIC DUO

Italian jewellery house Damiani collaborated with Japanese footballer Hidetoshi Nakata to create an eclectic series called 'Metropolitan Dream by H. Nakata'. Together, their new collection aims to raise funds for the charity 'Home for All' in Japan. Consisting of pendants and bracelets in burnished gold or pink gold with diamonds, the details are available in different variations, such as large, small, or double cross pendants. Jaipore Jewels are known for creating fine hand-crafted jewellery fashioned after timeless traditional ethnic styles, as seen in this Indian Jhumki-inspired earrings with ruby, emeralds, and diamonds set in 18k gold. The enchanting assembly of colourful jewels reminds one of Diwali, the biggest and brightest Indian festival. [www.jaiporejewels.com](http://www.jaiporejewels.com)

## FESTIVAL OF LIGHTS

## Palette Selection

Hans D. Krieger's style is recognisable for its use of fabulous natural colours. This pair of coloured gemstone rings, each bearing a 10.55ct tanzanite and 10.32ct mandarin garnet, respectively, is a refreshing switch from the primary gems we are all too familiar with.

## Lithe & Gilded

The latest jewellery collections by Fope is out to bend the rules. Their ingenious innovation of flexible gold mesh, termed Flex'it and used in the Solo and Eka Tiny Collections, has become one of the brand's best-sellers. Their 18k flexible bracelets are covered with gold rondels and donned with either pink or blue sapphires and diamonds. [www.fope.com](http://www.fope.com)

## Mosaic of Movement

Jaquet Droz has introduced the Asian art of eggshell mosaic to the world of watchmaking. The scene depicted on the dial of the new *Petite Heure Minute* is embellished with crushed duck eggshells, carefully selected to paint a mosaic of an elephant and the surrounding landscape. Beautifully accentuated by the black onyx of the hours-and-minutes dial, the decorative theme continues on the underside of the watch. [www.jaquet-droz.com](http://www.jaquet-droz.com)

## EYE DANDY

Delfina Delettrez's Faceted collection is an ensemble of facial-inspired jewellery pieces, from eye-themed brooches to actual nose rings. The most intricate of the lot, the *Portrait* brooch features a larger-than-life pavé eye, complete with pearl-trimmed lashes, a gold nose, and a ruby-encrusted pout.

## Emerald Delight

Dior took our breath away with their *La D de Dior Precieuse* timepiece. Subtly pavé with diamonds, the case is decorated with either an emerald, sapphire, or pink sapphire-set bezel whose shades are delicately extended onto a gold bracelet. But what truly makes this piece of art stand out is the glowing opal dial centre, teasing a harmony of colours from precious stones. [www.dior.com](http://www.dior.com)

## Angels & Diamonds

Michael Kors launched three new fragrances termed the Gold Collection fragrance at New York Fashion Week earlier this year. Victoria's Secret angel Alessandra Ambrosio was seen wearing Butani diamond bracelets while attending the launch hosted by the fashion designer himself. [www.butani.com](http://www.butani.com)

## CLASSIC CUTS

Just when you think gold and diamonds couldn't get any classier, Lili Diamonds took it up a notch higher with this 14.65ct diamond ring. Almost fully adorned in criss-cut cushion diamonds and round diamonds, the ring stands out due to gold accents. [www.lilidiamonds.com](http://www.lilidiamonds.com)

## BEEES & HONEY

Chaumet's latest high jewellery collection is quite a buzz with a vibrant palette of yellows, oranges, and greens. Reflected in this pair of *Abeille* earrings in yellow and white gold, a yellow Ceylon sapphire, mandarin garnets, peridots, tsavorite garnets, and diamonds sparkle on these little winged beauties.
